Competent Safety Advisor Service

A cost effective Health and Safety retainer support service to protect your business could not be more affordable.

Competent Safety Advisor Service packages start **from €75.00 p/w** which means you can reduce your overheads by not employing a full-time member of staff to deal solely with health and safety issues but, have the reassurance of being able to ask for expert help and advice when you need it.

The Safety Health and Welfare at Work Act 2005

The Law says that employers are required by The Management of Health and Safety at Work Regulations to appoint one or more Competent Persons to assist them with Health and Safety.

Is value for money your priority? Then our Competent Safety Advisor Service is the best you're likely to find in fact we are finding this service is a very popular choice.

Appoint Safety-Link as your Competent Safety Advisor and you won't be disappointed we guarantee to exceed YOUR expectations.

If you would like any more information regarding Health and Safety Work Regulations then please contact us direct.
